Prices above reflect the average cost of a premium frame with a single passe-partout. Framing prices vary depending on size, materials, and glass choice (standard reflective or museum-quality anti-reflective). Standard frames for smaller artworks (20 × 30cm) start from €85, while custom-made frames for large works (e.g. 120 × 90 cm) with museum glass and triple passe-partout can reach up to €1350. Each frame is carefully selected to ensure optimal presentation and long-term protection, with designs ranging from minimalist to ornate, handcrafted in countries such as Italy and Spain.
